2018-2019

ADELAIDE
BAROQUE

Dear Adelaide Baroque supporter,

During 2018-2019 we have decided to realise a long-held ambition to establish a more permanent Baroque Orchestra in Adelaide.

The secret ingredient which makes our Orchestra so lively and enjoyable is the musicianship of the artists and their wonderful instruments, designed long ago in the eighteenth century or before.

For more than 40 years now, Adelaide Baroque has brought this music to life. During these years our work has benefitted enormously from the generosity and support of our donors and benefactors.

Please help us continue this tradition by giving generously to the Adelaide Baroque Donors' Fund. Your contribution will help to create a strong and vibrant future for Adelaide Baroque and our Orchestra. All donations are gratefully received and acknowledged.

All donations over \$2 are tax-deductible.

Yours sincerely
